

# Have you heard?

## There's a new COW in town!

A Community Orientation Workshop (COW) will be held for elected community planning committee members on April 29, 2006 beginning at 8:30 a.m. and ending at 12:30 p.m. The workshop will be held at the Metropolitan Operations Center (MOC) at 9192 Topaz Way in Kearny Mesa. Invitations for the COW will be mailed as soon as rosters for the planning committees are received in the Planning Department. The Planning Department realizes there is a short turn around between elections and the COW, but last year's April COW had very successful attendance because of electronic outreach and the efforts of the committees to get the rosters in to the Planning Department. Upon finalization, the agenda will be mailed to newly elected members, posted to the webpage, and emailed to the community planners, committee chairs and other committee member emails received by the Planning Department.

## Don't be left out!
